Why National Association of Underwater Instructors (NAUI)

1. Naui is a non-profit Scuba Certification agency. Everyone else are for profit businesses.
 2. Naui (being a non-profit_ focuses on safety and education, not bottom line dollars
 3. Naui instructors go through the most comprehensive training which is superior to any other agency
 4. Naui Scuba courses are the most comprehensive courses in the world. Students will have to learn more, do more skills, and get more training time (proctice). And more is better
- Lighthouse Diving chose NAUI because it is the Best program for the beginning diver.
