* Older and obsolete systems and equipment may require restoration or updates and are subject to the availability of parts. Service charges for these items are higher than our standard charges. [Back](#)

** Prices do not include parts. [Back](#)

*** Rush fees are 50% of labor cost/piece additional and receive 2 business days turn around time at our repair facility. This excludes off days by our repair staff. [Back](#)

**** These prices apply to any standard replacement or install. Anything above and beyond will be billed at our regular hourly rate. [Back](#)

Dropped Off: means dropping off the cylinder(s) and coming back later to pick them up. There is additional company expense to holding customers tanks without claim checks as expense in floor space, time and risk of loss. After hours fills are 2 times single rate. Back

Warranty: All repairs performed by Lighthouse service staff are warranted for 90 days after a service is completed against defects in workmanship and materials.
